

Developmental Therapy Center (www.dtckids.com) is looking for a dynamic *Pediatric Occupational Therapist* to provide clinic based occupational therapy services in our office. We provide speech and occupational therapy services to children with various needs. Our Occupational Therapy Department carries a strong Sensory Integration frame of reference. Our clinic also works closely and collaboratively with Autism Comprehensive Educational Services ACES (www.acesaba.com) to provide comprehensive programs for children with Autism including consultations, direct therapy and comprehensive evaluations.

We are looking for a hard-working, playful and dynamic OT who has experience working with the pediatric population. They will collaborate with a variety of professionals, educators, occupational therapists, mental health professionals, BCBA's, and SLPs. We value our staff people who inspire children and support their families. At DTC we strive to work closely with children, families, and other professionals to help every child reach their maximum potential. Therefore, we strive to provide a positive, friendly work environment which supports its staff to their full potential.

Requirements:

- Degree and License to practice OT in California
- Experience with or desire to learn about Sensory Integration.
- Skilled at child led-adult directed therapy
- Experience working with children
- Ability to work independently and seek help when necessary

Opportunities:

- Working with children with varied diagnoses and ages
- Room for promotion in a stable company which is growing
- Collaboration with speech therapists, occupational therapists, behavioral interventionists
- Mentorship and collaboration with over 15 occupational and speech therapists in CA offices
- Full or Part time position with benefits (PTO, medical, paid holidays, 401K) and continuing education
- Dynamic therapy gym with opportunities for many different creative treatments.

If you believe you have the dedication, desire and qualifications to help create change for our clients, then we invite you to apply immediately. We are open to full or part time employment and offer benefits, 401K, and continuing education in our employment packages. Please email your resume in .doc or PDF format to banderson@dtckids.com.
