

Developmental Therapy Center (www.dtckids.com) is looking for a *Pediatric Speech Therapist* to provide clinic based speech and language therapy services in our office. We provide play based speech and occupational therapy services to children with various needs. Our clinic also works closely and collaboratively with Autism Comprehensive Educational Services (www.acesaba.com) to provide comprehensive programs for children who have autism.

At DTC we strive to work closely with children, families and other professionals to help every child reach their maximum potential. We provide high quality and individualized programs to children with Developmental Delays, Expressive/Receptive Language Disorders, Fluency disorders, Apraxia, Articulation/Phonological Disorders, Pragmatic deficits, Sensory Processing Challenges, Autism, Down Syndrome, and Learning Disabilities.

We are looking for a hard-working, playful and dynamic SLP/CF with experience working with the pediatric population to work with a variety of professionals, educators, occupational therapists, mental health professionals, BCBA's, and other SLPs. We value our staff people who inspire children and support their families. Therefore, we strive to provide a positive, friendly work environment which supports its staff to their full potential.

Requirements:

- Degree and License to practice Speech Therapy in California
- Experience working with children
- Ability to work independently and seek help when necessary
- Interest in continual learning

Opportunities:

- Working with children with varied diagnoses and ages
- Room for promotion in a growing and stable company
- Mentorship and collaboration with over 15 occupational and speech therapists in CA offices
- Dynamic therapy spaces with opportunities for many different creative treatments and co-treatments.

If you believe you have the dedication, desire and qualifications to help create change for our clients, then we invite you to apply immediately. We are willing to consider full and part time employment. We offer benefits, 401K, and continuing education in our employment packages. Please email your resume in .doc or PDF format to banderson@dtckids.com. Learn more through our website at www.dtckids.com
