

## Speech Therapist Job Description

Developmental Therapy Center is a pediatric speech therapy clinic that offers specialized treatment for families using a developmental, play-based model.

Developmental Therapy Center provides high quality and individualized programs to children with developmental delays, expressive/receptive language disorders, fluency disorders, apraxia, articulation/phonological disorders, pragmatic deficits, sensory processing challenges, autism, Down Syndrome, and learning disabilities.

Our office is looking for a hard working, playful and dynamic SLP with experience working in early intervention. You will be working with a variety of professionals, educators, occupational therapists, mental health professionals and experienced SLPs. There are opportunities for continuing education, flexible scheduling (FT or PT) and benefits.

If you believe you have the dedication, desire and qualifications to help create change for our clients, then we invite you to apply immediately. You may do so by replying directly to this ad with a brief introduction and resume attached in .doc format. Please be sure to put "SLP in (location hiring)" in the subject line. Or, you may visit our website at [www.dtckids.com](http://www.dtckids.com) in order to learn more about Developmental Therapy Center and the career opportunities currently available to you.
